## ABOUT ME

Experienced Mobile and Web Developer with expertise in Flutter, Dart, JavaScript, Node.js, Python, PHP, HTML, and CSS. Skilled in building applications powered by Firebase backend services and cloud-based infrastructure. Successfully developed multiple projects, including a cross-platform AI-powered application featuring subscription-based monetization, real-time data processing, and enterprise-grade architecture. Passionate about creating scalable, high-quality solutions that deliver exceptional user experiences across all platforms.

## EXPERIENCE

**2019 - 2021**
